NOTES TO THE FINANCIAL STATEMENTS
FOR THE PERIOD 13 NOVEMBER 2018 TO 31 MARCH 2020

1. **STATUTORY INFORMATION**

Westbourne Community Trust Limited is registered in England and Wales under the Cooperative and Community Benefits Societies Act. Its registered address is: Willow Barn, Mill Lane, Westbourne, Emsworth, PO10 8RA

2. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

The financial statements are prepared under the historical cost convention and in accordance with the FRS 102 Section 1A Small Entities - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Co-operative and Community Benefit Societies Act 2014.

Turnover

Grant income is recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability. Such income is only deferred when the specifies that the grant must only be used in future accounting periods or the donor has imposed conditions which must be met before there is unconditional entitlement.

Other income is recognised on a receivable basis.

Stocks

Work in progress is valued at the lower of cost and net realisable value.

Cost is calculated using the first-in, first-out method and includes all purchase, transport, and handling costs in bringing stocks to their present location and condition.

Financial instruments

The company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities like trade and other accounts receivable and payable, loans from banks and other third parties and loans to related parties and investments in non-puttable ordinary shares.

Trade and other debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, deposits with banks and other short-term highly liquid investments and bank overdrafts. In the balance sheet, bank overdrafts are shown within borrowings or current liabilities.

Trade and other creditors

Short term trade creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method

Taxation

Taxation for the period comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the period end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

The average number of employees during the period was NIL.

4. **OPERATING SURPLUS**

The operating surplus is stated after charging:

**CHARTERED ACCOUNTANTS' REPORT TO THE BOARD OF DIRECTORS
ON THE UNAUDITED FINANCIAL STATEMENTS OF
WESTBOURNE COMMUNITY TRUST LIMITED**

We report on the financial statements of the society for the year ended 31 March 2020. The financial reporting framework that has been applied in their preparation is applicable law and FRS 102 The Financial Reporting Standards Applicable in the United Kingdom and Republic of Ireland, under Section 1A.

This report is made solely to the members as a body. Our reporting work has been undertaken so that we might state to the members those matters we are required to state to them in an independent accountant's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the trust and the members as a body, for our work, for this report, or for the opinion we have formed.

The Management Committee is responsible for the preparation of the accounts and they consider that an audit is not required for this year and that an independent accountant's report is needed.

It is our responsibility to carry out procedures designed to enable us to report our opinion.

In our opinion:

(a) the accounts are in agreement with those accounting records kept by the society under the Co-operative and Community Benefit Societies Act 2014, s. 75.

(b) having regard only to, and on the basis of, the information contained in those accounting records, the accounts have been drawn up in a manner consistent with the accounting requirements of the applicable legislation, and,

(c) the society satisfied the conditions for exemption from an audit of the accounts for the year specified in the Co-operative and Community Benefit Societies Act 2014, s. 84(1) and did not at any time within that year fall within any of the categories of societies not entitled to the exemptions specified in the Co-operative and Community Benefit Societies Act 2014, s. 84(3).
